

Life's Hard Life's Fast

words and music
Bob Runyon

Life's hard life's fast

I'm soft I'm slow

like a turtle caught strolling in the middle of the road

Your heart breaks for someone beyond your control

life's hard life's fast

I'm soft I'm Slow

Life's hard life's fast I'm soft I'm slow here I am there it goes

Life's hard life's fast I'm soft I'm slow here I am there it goes
