

BUY MY SHINE

words and music
R. Runyon

Get the bite you set the hook
It's not as easy as it looks
The feel will seal the deal
Buy my shine
It's the stuff that can set you free
Let you be who you want to be
Your meal is on the wheel
Buy my shine

If you're going the wrong direction
There's still time to turn around
If your sights need some correction
Let me tell you what I've found

Look here buddy in my eyes
Cut the pies the proper size
Harmonize and advertise
Buy my shine
It's more fun than you can know
You must believe to get the glow
To know the flow you must let go
Buy my shine

Though His love is never ending
It's a limited offer buy it now
If you wait until the ending
You're going to pay and how

Get going we must be heard
Gotta find a way to spread the word
The world's in dire need of my good shine
You don't have to be like me
But if you knew you'd want to be
You see it's all because of my good shine

You better strap on your shades
Try to see what sense I've made
It's all around it's never ending
Won't you by my shine
