

I'M A DARLIN

G C D
Em
1. I'm the only one in this bunch with enough money to sue someone
2. It's the inbred sensibility of a man in lust with gold
3. These hills are disappearing and I won't be here long
4. I've known you all my life I don't mind losing you now

G C D Em
So you better do just as I say or I'll get my old shotgun
It's the lack of imagination of one who's done just as he's told
I'm gonna leave my daughter more than just a song
I only wish there was some way I could trade you for a cow

G C D
Em
I'm the one who knows what's what and I'm the one who says
Now I'm the one who's telling and you're the one who's told
I'm gonna leave her money I don't care if it's mine or yours
Your nothing to me you can't be bought or sold

G C D Em
I'm the who calls the shots I'm not the one who's dead
I'm not one for bluffing my heart is dead and cold
I'm a thunderhead in action and when I rains I pour
I've got things to do before I get old

CHORUS

C D Em
Cause I'm a Darlin Don't you know
I'm a Darlin I let it show

First bridge after second chorus

C D Em
I can blow all through your house and give your sole a freeze
I can be so hot and wet I'll bring you to your knees
Cause I'm a Darlin

Second bridge after third verse

C D Em
I'll wash all through your dwelling and leave you to the sky
And if you feel like eating just have some humble pie
Cause I'm a Darlin
