

LONG WAY DOWN

words and music
R. Runyon

A
I've seen things that would make anybody sing Hallalujah
D A
I've been places where hidden voices bring a groove right to ya
D E A A F#7
I've been to the mountain top I've been nestled in the valley of love
A E A
And I've been silenced by the mighty presence of
D A
I don't care that it's a long way down from here Hallalujah
D A
I don't care about the things that you might fear will happen to ya
D E A
I don't care that it's a long way down from here
D A
I've been to the mountain top I've been nestled in the valley of love
D A D E A F#7
I can't help from bouncing when push comes to shove you can knock me down but I get sucked up from above
A E A D A
And dropped again I've been silenced by the mighty presence of I don't care that it's a long way down from here
D A E D A
I don't care that it's a long way down from here if you felt what I was feeling it would fill your heart with cheer
D A D A
I've been to the mountain I've heard many voices sing ringing from tiny places or passing on the wing
E D A D A
I've been stripped of everything I have to bring into the future I don't care that it's a long way down from here
D A E D A
I don't care that it's a long way down from here if you felt what I was feeling it would fill your heart with cheer
D A D A
I've been cold where the roaring wind blows my souls been frozen blown as white as snow
D E A
I don't care that it's a long way down from here
