C G D7 G  
Those that fly free enough to really get away seem to be birds of a feather  
C G D7 G  
After they make their move and all fly away who'll be the last one around

Open up your mind inspin the screws open up your time to dream the new  
C G D7 G  
If you live in the past there ain't nothing you can do to make your life much better

But if you look at what's right in front of you, you might be inspired what to do  
C G D7 G  
If you cannot laugh you might as well cry try to make your dry eye wetter  
C G D7 G  
When the tears fall and take the soot from your eyes you might find a different point of view
