

# BIG ORANGE ALLIS

words and Music R. Runyon

G C G  
Big orange Allis big green John gotta get going there's work to be done  
G C G  
Gotta furl the fields plant some corn raise a crop just as sure as you're born  
C G  
Because that's the way things are done around here  
C F C G  
And that's the way things been done for years and years around here  
F C  
We work hard but when our work is done  
F C G  
We kick up our heels and have a little fun  
F C G  
We kick up our heels and have a little fun

G C G  
When things break down we pull our hair and then we get to work and start to repair  
G C  
The price of parts would make a grown man cry so we improvise and here's the reason  
G  
why  
C G  
That's the way things are done around here  
C F C G  
That's the way things been done for years and years around here  
F C  
We work hard but when our work is done  
F C G  
We kick up our heels and have ourselves some fun  
F C G  
We kick up our heels and have a little fun

G C G  
It takes a sharp mind in every way to make a living farming these days  
G C G  
But somebody's got to raise our food so to this tractor seat I'm glued

C G  
That's the way things are done around here  
C F C G  
That's the way things been done for years and years around here  
F C  
We work hard but when our work is done  
F C G  
We kick up our heels and have a little fun  
F C G  
We kick up our heels and have a little fun
