R. Runyon

CHORUS

G D  
Fifty years and we're still dears not many people make it fifty years  
G C  
Fifty years here by my side keeping happiness alive  
G D G  
A lot of laughter a lot of tears a lot of life in fifty years

D G  
Remember that trailer we lived in, in Arkansas  
D G  
Not too much room, about the size of our car  
C  
We had some hard times but always came through  
G D G  
I thank the Lord I could depend on you

CHORUS

D G  
A house full of kids will surely try ones nerves  
D G  
We worked so hard for so much less than we deserve  
C  
We all get down and need a reason to smile  
G D G  
That's why I look at you every once in a while

CHORUS

D G  
We go a little slower but that's no reason to stop  
D G  
You never know next year might be the top  
C  
One things for sure if you're standing here  
G D G  
I hope to last for a thousand years
